Board Minutes

Tuesday, July 28, 2026 • 4 p.m.

Location: Cemetery District Office, 900 E. Kern Ave, Tulare, CA 93274

Call to Order – The meeting was called to order at 4 p.m. by Board Chair, Ryan Wilson. Vice Chair the meeting participants in the flag salute.

Roll Call – Board members present: Mary Mathias-Wiseman, Darla Rambonga, Veisinia Tautuaa and Ryan Wilson. Also present: Trilby Barton, District Manager and Thomas Degn, County Counsel, and various members of the public.

Public Comment – Public comment regarding non agenda items began at 4:02 p.m. with comments limited to three minutes per speaker. Public comments were provided by Patrick Isherwood, Xavier Avila, Alberto Aguilar and Carlene Ringus. Public comment regarding items not listed on the agenda was closed at 4:10 p.m.

Public comment regarding items on the agenda began at 4:11 p.m. Comments were provided by Xavier Avila (concerns about the price increase), Alberto Aguilar (budget, training, price increases), Carlene Ringus regarding the vault sales policy. Public comment regarding items listed on the agenda was closed at 4:19 p.m.

Minutes – Darla Rambonga made a motion to approve the minutes from the June 23, 2026 regular board meeting. Mary Mathias-Wiseman seconded. All board members voted in favor to approve the minutes.

Financial Reports – Ms. Barton provided the financial reports for June 2026, reporting on revenue and expenses for the 772 General Fund, and other accounts. Reconciliation reports were provided in the board packet for the 772, 773, 807, 817 and 886 accounts. She also provided an Expense Report to-date outlining vendors paid, amounts paid and description of the transaction in a spreadsheet format. She noted she will provide this report on a monthly basis so the board is aware of the specifics on transactions. Total expenses as of July 28, 2026 was \$32,862.26 (not including payroll).

Interment Counts Report – Ms. Barton reported on the interments for June 2026. A total of 33 burials (21 full casket, 12 cremation) were held in June between both cemeteries. She reported the total burials for the 2025-2026 fiscal year totaled 300 (compared to 294 in the 2024-2025 fiscal year).

District Manager Report – Ms. Barton provided a report on the progress of the cemetery.

- **Cemetery Operations** – She reported that the treasury accounts have been reconciled in Quickbooks, but she still needs to reconcile the 886 Pre-Payment Plan account. She has gotten the web-based Quickbooks subscription purchased and will start working on getting the account set up in the program. Ms. Barton also reported

that the District now has the CAL-Card credit card, and will receive monthly statements. She will match receipts to the statement when submitting to County Claims for payment processing. She asked the Board if they would prefer the full statement and receipts to be included in the board packet each month. All Board members agreed that would be preferred for accountability and transparency.

Ms. Barton reported the new telephone system is in place and the District now has a voicemail system. Once we are sure the phone lines are working, she will cancel the AT&T account for the phone lines and will just have AT&T for internet at both cemeteries. Also looking into Starlink for the North Cemetery as it may be cheaper, and it is just as compatible with our security system as AT&T internet.

She reported that working on the computer network system will be next on the IT list, and that Admin is going to need a new computer soon. Our IT consultant is going to work on a quote for that.

- **Grounds Operations** – Ms. Barton reported the irrigation updates and repairs at the North Cemetery are now complete. The broken valves have been repaired and the timers are operating on a set schedule, and sprinklers have been fixed. She also reported that progress is being made on the irrigation improvements at the Kern Cemetery. The new antenna for the bluebooth timer has been installed, and 11 of the timers have been updated to Bluetooth. The remaining have been ordered. The grounds crew has been going through fixing valves and sprinklers.

Outsourcing of the lawn maintenance is in full swing and has been working out well. Ms. Barton reported the District has received a lot of compliments on the grounds and are also able to address the other complaints, repairs and projects that have been needing to be done. Kern Cemetery grounds crew projects and priorities include: burials (digs and services always the top priority); cleaning and organizing both shops; cleaning the bull pen; irrigation (checking sprinklers regularly and working on the irrigation updates); lifting and leveling sunken headstones; filling and leveling sunken graves; cutting suckers off the tree trunks; and helping the North crew with landscape maintenance (if burial schedules allow).

Ms. Barton also reported that grave digging is now occurring during regular business hours by our regular full-time staff. We'll be working on training so all grounds crew members will eventually be able to do all of the grounds tasks.

- **Upcoming Projects/Priorities** – Ms. Barton reported that we'll be adding t-posts and chain along roadways where people are parking on the grass and frequently breaking sprinklers. Headstone repairs will begin hopefully in August, depending on the weather and after the irrigation project is completed. We'll need to build the frames and order the cement mix. The block identification signs will be put in around the Kern Cemetery. She is also going to be working on updating the contract packets, updating the Headstone Policy and will be working with GSRMA resources to update the Employee Handbook.

2026-2027 Price List Revisions – Ms. Barton provided a draft revised price list for the 2026-2027 fiscal year. She reviewed price lists from districts in Visalia, Exeter and Lindsay-Strathmore, and provided a breakdown comparison. Total increases for burial packages range from 15% to 35% increases. She explained that she added the vault installation fee

into Opening/Closing fees, and proposed that the District just charge a headstone admin fee for coordinating with the granite companies, but the installation fees will be between the granite company and the families. She also proposed a flat endowment fee across the board of \$500 for every individual buried, whether cremation or full casket. County Counsel said we will need to confirm the law regarding endowment fees, and Ms. Barton explained that it's a standard practice and the law states a minimum amount. Ms. Barton also proposed a consistent non-resident fee for full casket and cremations, rather than 15% of fees paid at time of grave use. This practice left a loop hole where out-of-district residents have not been charged evenly, particularly for pre-need plans. Board members reviewed the updated prices and it was discussed if there should be a public hearing. Ms. Barton noted that it is not required by law for a cemetery district to have a public hearing. County Counsel said the District has done that in the past. The Board discussed whether to hold a hearing. Ms. Rambonga made a motion to hold a public hearing regarding the price list increase and Mr. Wilson seconded. The Board voted to approve hosting the hearing and Ms. Barton will work on getting that coordinated.

2026-2027 Fiscal Year Budget – Ms. Barton provided the 2026-2027 Fiscal Year Budget for the 772, 773, 807, 817 and 886 treasury fund accounts. Final budgets for each were included in the board packets. The 772 account is the main account the District operates from, so she spent the most time reviewing the budget for that account. She noted that the budget accounted for a 3 percent Cost of Living Adjustment for the employees. She also explained that just because that's the budget doesn't mean the District will spend every penny of it. She watches the account balance closely and tracks expenses regularly in Quickbooks to know where the District is positioned. Total budgeted expenses for the fiscal year are \$1,715,180. For revenue, she did factor revenue based on the 2026-2027 Price List revisions, however, we can still approve the budget because revenue is unpredictable regardless, and the County Claims Department needs the expense budget to process payments to vendors. Ms. Barton did note that she has \$82,944 transfer from Fund 817 in the budget, as we may consider closing that account mid-fiscal year. Ms. Barton explained that she used a three-year average to determine revenue from services. Overall, a total budget of \$1,678,556.50 is budgeted for the 772 account.

Ms. Tautuaa made a motion to approve the 2026-2027 Fiscal Year Budgets for all five of the District's treasury fund accounts. Ms. Rambonga seconded. The budget was unanimously approved by the Board. Ms. Barton will submit the budget to the County.

Protective Vault Sales Exclusivity – Ms. Barton explained that it is standard practice for cemeteries to have exclusive rights to sell vaults used for burials. It had come to her attention that this was not the case for the District. She referred to a draft Vault Sales Policy that will give the District exclusive rights to sell vaults to families at the time of need. This will ensure all vaults meet the standards of the cemetery. Ms. Barton explained that she also spoke with our vault vendor and he advised he's only aware of one other cemetery who allows outside vault sales, but they do charge an \$850 handling/receiving fee. Ms. Mathias-Wiseman requested another version of the policy that details the fee and material types that would be allowed. Ms. Barton will work on the second option of the policy. Ms. Tautuaa made a motion to table the Vault Sales Policy to the August meeting, and Ms. Rambonga seconded the motion. The Board voted unanimously to table the discussion and decision.

Board Member Comments/Discussion

- Ms. Wilson said he has been making visits to the cemeteries at least once a week and is seeing improvements. He thanked the District staff, and knows they have been busy with burials, but he is seeing the progress. The sprinklers are going and the green grass is growing.
- Ms. Tautuaa also thanked staff. She is seeing progress and we are moving in the right direction. She also thanked the public for coming and sharing their input.
- Ms. Mathias-Wiseman thanked Ms. Barton for her transparency and details. She also thanked the public for sharing their input.
- Ms. Rambonga said “Ditto” to what the other board members shared. She has seen a big difference.

Next Regular Meeting – The next board meeting will be held at 4 p.m., Tuesday, August 25, 2026 at the Kern Cemetery, 900 E. Kern Ave, Tulare, CA 93274.

Adjourn – Ms. Rambonga made a motion to adjourn the meeting, and Ms. Tautuaa seconded. Mr. Wilson adjourned the meeting at 5:45 p.m.

Conflict of Interest Code for Tulare Public Cemetery District

The Political Reform Act (Government Code Section 81000, et seq.) requires state and local government agencies to adopt and promulgate Conflict of Interest Codes. The Fair Political Practices Commission has adopted a regulation (2 California Code of Regulations Section 18730) that contains the terms of a standard Conflict of Interest Code, and may be incorporated by reference in an agency's code. After public notice and hearing, the standard code may be amended by the Fair Political Practices Commission to conform to amendments in the Political Reform Act. Therefore, the terms of 2 California Code of Regulations Section 18730 and any amendments to it duly adopted by the Fair Political Practices Commission are hereby incorporated by reference. **This regulation and the attached appendices designating positions and establishing disclosure requirements shall constitute the Conflict of Interest Code for the Tulare Public Cemetery District.**

The Form 700s for designated positions, such as the Board of Trustees and District Manager, shall be filed directly with the Clerk of the Board for the Tulare County Board of Supervisors. The District shall retain a copy of all filed Form 700s, and shall make the forms available for public review, inspection and reproduction (Government Code Section 81008).

The provisions of all Conflict of Interest Codes and amendments previously adopted by the District are hereby superseded.

Signed: _____

Ryan Wilson, Board President

Amended: August 25, 2026

Appendix A: Designated Positions

Public Officials Who Manage Public Investments

It has been determined that the positions listed below manage public investments and will file a State of Economic Interests pursuant to Government Code Section 87200. These positions are listed for informational purposes only:

- None

An individual holding one of the above-listed positions may contact the Fair Political Practices Commission for assistance or written advice regarding their filing obligations if they believe their position has been categorized incorrectly. The Fair Political Practices Commission makes the final determination whether a position is covered by Government Code Section 87200.

Designated Positions

Disclosure Categories

- | | |
|--------------------|------|
| • Board Members | 1, 4 |
| • District Manager | 1, 4 |
| • Consultants* | * |

*Consultants shall be included in the list of designated positions and shall disclose pursuant to the disclosure requirements in the code subject to the following limitation:

The Board of Trustees and/or District Manager may determine in writing that a particular consultant, although a “designated position,” is hired to perform a range of duties limited in scope and therefore is not required to comply fully with the disclosure requirements in this section. Such written determination shall include a description of the consultant’s duties, and based upon that description, a statement of the extent of disclosure requirements. The Board of Trustees and/or District Manager’s determination is a public record and shall be retained for public inspection in the same manner and location as this Conflict of Interest Code (Government Code Section 81008).

Appendix B: Disclosure Categories

Disclosure Category 1: Full Disclosure

All interests in real property located entirely or partly within this District's jurisdiction or boundaries, or within two miles of this District's jurisdiction or boundaries or of any land owned or used by this District. Such interests shall include any leasehold, ownership interest or option to acquire such interest in real property. All investments, business positions, ownership and sources of income, including gifts, loans and travel payments.

Disclosure Category 2: Full Disclosure (excluding interests in real property)

All investments, business positions, ownership and sources of income, including gifts, loans and travel payments.

Disclosure Category 3: Interests in Real Property (only)

All interests in real property located entirely or partly within this District's jurisdiction or boundaries, or within two miles of this District's jurisdiction or boundaries or of any land owned or used by this District. Such interests include any leasehold, ownership, interest or option to acquire such interest in real property.

Disclosure Category 4: General Contracting

All investments, business positions, ownership and sources of income, including gifts, loans and travel payments, from sources that provide or have provided in the last two years, leased facilities, goods, supplies, materials, equipment, vehicles, machinery, services, or the like, including training or consulting services, of the type utilized by the District.

Disclosure Category 5: Regulatory, Permit or Licensing Duties

All investments, business positions, ownership and sources of income, including gifts, loans and travel payments, from sources that are subject to the regulatory, permit or licensing authority of, or have an application for a license or permit pending before this District.

Disclosure Category 6: Grant/Service Providers/Agencies that Oversee Programs

All investments, business positions, ownership and sources of income, including gifts, loans and travel payments, or income from a nonprofit organization, if the source is of the type to receive grants or other monies from or through this District.

Option 1: Vault Sales Policy

Drafted July 2026; Reviewed by Tulare County Counsel

Adopted by the Tulare Public Cemetery District Board of Trustees on XXXXXXXX

The Tulare Public Cemetery District (District) is responsible for the care, maintenance, health and environment of its cemeteries. In fulfilling that responsibility, the District has determined that vaults in which human remains are interred must meet certain specifications. To avoid problems and inconsistencies arising from vaults of varying sizes, shapes and materials, all burials in the Tulare Public Cemetery District must be made utilizing vaults supplied by and purchased from the District. No burials will be permitted in vaults from any other sources at any time, including all sizes of full casket or cremation vaults and protective full casket or cremation vaults.

Option 2: Vault Sales Policy

Drafted August 2026; Reviewed by Tulare County Counsel

Adopted by the Tulare Public Cemetery District Board of Trustees on XXXXXXXX

The Tulare Public Cemetery District (District) is responsible for the care, maintenance, health and environment of its cemeteries. In fulfilling that responsibility, the District has determined that vaults in which human remains are interred must meet certain specifications. To avoid problems and inconsistencies arising from vaults of varying sizes, shapes and materials, all burials in the Tulare Public Cemetery District must be made utilizing vaults that meet the standards of the District, including any vaults not supplied by and purchased from the District.

Full Casket Vaults: Any full casket vaults not supplied by and purchased from the District must be delivered to the respective cemetery location no less than 72 hours prior to the scheduled burial. A non-refundable handling/receiving fee of \$850 will be charged and due in full prior to the scheduled burial. Christy Vault Company is the preferred vault vendor of the Tulare Public Cemetery District as their vaults meet the District's burial standards.

Any vaults not purchased through the District or from our preferred vendor must be made of high strength, reinforced concrete that will withstand 6,000 or higher PSI (pounds per square inch). Vaults must also be sized accordingly to fit the appropriate-sized casket (standard size, oversize or giant). Vaults that are delivered to the Cemetery but do not meet these standards will not be utilized, and the family or party(ies) responsible for the burial will be charged for use of a standard vault kept in stock at the cemetery locations. Payment for the standard vault will be due prior to the scheduled burial.

Cremation Vaults: Any cremation vaults not supplied by and purchased from the District must be delivered to the respective cemetery location no less than 72 hours prior to the scheduled burial. A non-refundable receiving/handling fee of \$400 for protective vaults and \$200 for standard cremation vaults will be charged and due in full prior to the scheduled burial. Christy Vault Company and Crowne Vaults are the preferred vendors of cremation vaults of the Tulare Public Cemetery District as their vaults meet the District's burial standards.

Any protective cremation vaults not purchased through the District or from our preferred vendors must be made of high strength, reinforced concrete or high-tech polymer to maximize strength and durability that will withstand 6,000 or higher PSI (pounds per square inch), and fit the size of the urn to be buried. Vaults that are delivered to the Cemetery but do not meet these standards will not be utilized, and the family or party(ies) responsible for the burial will be charged for use of a standard cremation vault kept in stock at the cemetery locations. Payment for the standard cremation vault will be due prior to the scheduled burial.

Tulare Public Cemetery District Notice of Public Hearing for Proposed Price Increase

NOTICE IS HEREBY GIVEN that on Tuesday, August 25, 2026 at 4 p.m. at 900 E. Kern Ave, Tulare, California, the Tulare Public Cemetery District (District) Board of Trustees will conduct a public hearing to consider comments regarding proposed price increases for services and products provided by the District. The price adjustment is being considered due to the significant rise of economic operating costs since the District's last price increase in 2022. The public hearing will be held in conjunction with the regular board meeting.

The proposed price increases are available for public review at www.tularecemetery.net and in the District Office located at 900 E. Kern Ave, Tulare, California.

Members of the public will be given the opportunity to be heard on the subject matter during the public hearing portion of the August 25 regular board meeting's agenda. Members may provide oral comments during the public hearing (not to exceed three minutes per speaker), or provide written comments to the Clerk of the Board by emailing manager@tularecemetery.net or mailing to 900 E. Kern Ave, Tulare, CA 93274. Written comments must be received by 4 p.m. on Tuesday, August 25, 2026 to be included in the public hearing.

For further information, please contact the Tulare Public Cemetery District's Clerk of the Board at (559) 686-5544 or at 900 E. Kern Ave, Tulare, CA 93274.
