WHEREAS, on June 20, 2018, Resolution #2017/18 – 4 the Board of Trustees adopted a resolution pursuant to Health and Safety Code section 9078, providing that the District's revolving fund shall not exceed one hundred ten percent of one-twelfth of the district's adopted budget for the current fiscal year; and

WHEREAS, that resolution omitted some of the information required to be included by Government Code section 53950 et seq., which provides the general rules for revolving funds.

NOW, THEREFORE, BE IT RESOLVED that the revolving fund shall be administered as follows:

- 1. The District's existing account at the Bank of the Sierra is hereby designated as the revolving fund.

- 3. The office manager of the District shall have the authority to make disbursements from the fund, with approval of the officers of the board and shall be responsible for keeping account of all receipts and disbursements from the fund.

EMPLOYEE CLASSIFICATIONS

INTRODUCTORY EMPLOYEE

The first 90 days of your employment is a get acquainted period for you and Tulare Cemetery District. During this period of evaluation you generally do not qualify for any discretionary, company sponsored benefits.

During the Introductory Period, your supervisor will explain your job responsibilities and the performance standards expected of you. At the end of your introductory period, your supervisor will review your progress, and determine whether you will be assigned to "regular" status, or whether the Introductory Period will be extended. Until your supervisor changes your classification, you will remain in the introductory period. The "at will" relationship will continue even after you become a regular employee.

FULL-TIME

"Regular full-time employees" are those employees who have completed the introductory period and are regularly scheduled to work at least forty (40) hours per week.

PART-TIME

"Regular part-time employees" are those who work more than eight (8) hours and fewer than forty (40) hours per week. To be considered regular part-time,

TULARE CEMETERY DISTRICT EMPLOYEE BENEFITS

"Regular part time employees" may be excluded from all or some discretionary benefits described. "Regular full time employees" and, in some cases where benefits are offered, "regular part time employees" must meet specific eligibility requirements before being offered certain discretionary benefits.

After reading the benefits described herein, employees should contact Personnel to obtain the qualification criteria, review the official plan documents and, where applicable, the actual insurance policies, to identify all of the terms. If any real or apparent conflict exists between the brief benefit summaries in the handbook and the actual provisions of the official plan documents, the terms of the official plan documents will control.

HOLIDAYS

The following days will be designated as paid holidays. Eligible employees will be paid "holiday pay" of one day's pay at the employee's regular straight time rate of pay for their regularly scheduled hours:

- New Year's Day January 1st
- President's Day Third Monday in February
- Good Friday Friday before Easter Sunday
- Memorial Day Last Monday in the month of May

Introductory, Temporary, part-time, leased, casual, seasonal, inactive, common law and occasional employees are not eligible to receive holiday pay.

VACATIONS

Vacation time offers us all a chance to get away from it all and relax. Tulare Cemetery District recognizes seniority by awarding increasing vacation benefits with increasing tenure.

"Regular full-time employees" who have been continuously employed by Tulare Cemetery District for the following periods will receive the listed vacations annually with pay based on straight time (S/T) hours:

- One (1) year through ten (10) years of continuous employment: Twelve (12) days (96 hours) paid vacation. Accrues at .0484 hours per S/T hour worked.
- Ten (10) through nineteen (19) years of continuous employment: Eighteen (18) days (144 hours) paid vacation. Accrues at .0744 hours per S/T hour worked.
- Twenty (20) years of continuous employment and thereafter: Twenty-Four (24 days/192 hours) paid vacation.

Accrues at .1017 hours per S/T hour worked.

This will only effect new employees:

One (1) through ten (10) years of continuous employment: 10 Days (80 hours)

Ten (10) through Nineteen (19) years of continuous employment: 15 Days (120 hours)

Twenty (20) years of continuous employment and thereafter: 20 Days (160 hours)

Employees are encouraged to take vacations in one-week segments. Vacation time-off should be requested at least one month in advance or earlier to secure a desired date. If there is a conflict between employees requesting the same vacation date, normally the first person requesting the date will be the one having the choice. No vacations may be taken in May!

Vacation time ceases to be earned when the employee has accumulated one (1) full year of unused vacation earnings and will not resume until the accumulation falls below the one (1) year earning level.

Each week of vacation pay will be paid at the average number of hours worked weekly at the straight time (S/T) rate earned. Salaried employees will receive their regular salary.

Terminating employees will be paid their prorated vacation pay.

Introductory, Temporary, part-time, leased, casual, seasonal, inactive, common law and occasional employees are not eligible to receive vacation pay.

GROUP INSURANCE

Group health insurance with dental coverage will be offered as part of Tulare Cemetery District's benefit program for "regular full-time employees," who have served their introductory period and become a regular full-time employee employed at least 40 hours per week. When employment drops below 40 hours per week, eligibility ends.

Tulare Cemetery District will pay the employee's premium for the group insurance. If you wish to have dependent coverage, the cost of the dependent coverage will be paid solely by you and deducted from your check as a payroll deduction.

Insurance benefits in such a way that the total sick leave benefits paid by Tulare Cemetery District, and those the employee receives from SDI will not exceed 100% of the employee's regular weekly wage, based on their regular straight-time rate of pay.

This plan is not available to *introductory*, temporary, part-time, leased, casual, seasonal, inactive, common law and occasional employees.

BEREAVEMENT LEAVE

When death occurs in a regular full time employee's immediate family the employee shall be entitled to up to 3 days paid time off for bereavement.

"Immediate family" is defined as being a spouse, parent, children, brother, sister, grandparents, father-in-law, mother-in-law, brother-in-law, sister-in-law or any other person who is the legal dependent of the employee

"Regular full-time employee" is defined as an employee that has completed the introductory period and regularly scheduled to work at least 40 hours per week.

JURY DUTY LEAVE

All "regular full-time employees" who have been continuously employed by Tulare Cemetery District for six (6) months or more will be paid their regular pay, less jury pay they receive, for up to five (5) days per year of Paid Jury Duty Leave for service on a jury.

If you are chosen to report for possible selection for jury duty, you should contact your supervisor immediately to report the situation and the possible need to reschedule. BOARD OF TRUSTEES
TULARE PUBLIC CEMETERY DISTRICT
ADOPTED AUGUST 13, 2008
REVISED OCTOBER 8, 2008

I would like to announce that I have decided to hire Phyllis Shenider, as Secretary to the District her first day will be February 1, 2020.

I will be needing the Form 700 from all board members and audit committee members by April 1, 2020. At the next board meeting I will also need signatures for the AUD 300 for the Tulare County Treasurer's office.

Pontem is on our computers now. The conversion went smoothly and I will be having a meeting on Wednesday with Nancy. I am confident that we will go live before the end of the month. I would like to recommend a third license so we can have a person come in and do all the data entry for the days we could not use CemSafe and to also enter all the available plots that we have.

I also want to know if any of the board members or audit committee members would like their picture on the website if so please send me a JPG and I will be post it.

I have also received two bids from two different temp agencies which I have enclosed at the moment we are paying Nexum Staffing also known as Professional Personnel at a rate of \$18.46 to \$19.17 an hour. Currently we do not have a contract with Professional Personnel or Nexum Staffing.
